Generative Site Plan

Jaydyn Chacon

WDD 130

Overview

Purpose

Giving people many random generators for those who are looking for unbiased randomization by putting multiple generators into a single and safe website. Also allowing people to come up with their own ideas for generators.

Audience

Anyone who is looking for a safe website with randomizers.

About

Hello! Welcome to the random generator website! Our goal here is to give everyone a good and safe single website for all of their needs that involve randomizers! Our team has worked very hard at this, and as we want to make it as good as possible for everyone, if you have any recommendations, we would love to hear your opinions!

(Dev note: etc. if you want to add more to this page)
